

Dear Partner,

As the scripture says, "Today is the day that the Lord has made, and we will rejoice and be glad in it." What a wonderful time to be alive in the Lord. The gracious Holy Spirit leads us into more and more of the truth of our Heavenly Father and His Son, Jesus Christ. We greet you in the precious name of our Lord Jesus Christ. Grace and peace be multiplied unto you. We are more than halfway through the year of 2023, and we are still believing, still standing on God's prophetic word for all that He has promised us in this year.

Romans 15:13 The God of hope fill you with all joy and peace in believing, that you may abound with hope through the power of the Holy Spirit.

In this year, the Lord has promised us it would be a year of THE ANOINTING. A year of TRANSMOGRIFYING and a year of UNPREDICTABILITY. Now let's unpack this. Per usual, at the end of the year, between September and December, I go away to be with the Lord. Not always to get a word for the next year, however, to separate myself in a time of consecration. It is always a great time in the Lord. During a time of sanctification last year, the Lord said to me the aforementioned revelations concerning this year. Those three things would combine into something very powerful as you move forward in Him.

Let's start with the year of THE ANOINTING. Not just any anointing, but THE Anointing. The word "anointing" deals with the yoke destroying, burden removing, power of God, as declared in Isaiah 10:27.

Isaiah 10:27 And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing.

Isaiah 10:27 And it shall be in that day that the burden of [the Assyrian] shall depart from your shoulders, and his yoke from your neck. The yoke shall be destroyed because of the fatness [which prevents it from going around your neck]" (AMPC Version)

Look at the latter part of the Amplified version. It says the yoke is destroyed because of the fatness that prevents it from going around your neck. This verse of scripture can be used in

multiple applications; however, for this exposition, we must apply it to the reality of THE ANOINTING.

As you and I grow in revelation of the word of God, we grow in the grace of God. We grow in the anointing of God. We manifest more and more power and wisdom. That power should become fluid in our lives and transferable. We develop in them and exercise them. Each revelation of God's word is packed with more and more power. That power can be multiplied or decreased based on the individual.

When the word of the Lord comes forth, it pressures us in a good way to become more like Him. In image and demonstration. This word of THE ANOINTING is no less the same. THE ANOINTING is THE BLESSING. It is THE UNSTOPPABLE ANOINTING. It is what causes us to become more and more "fat" or "too big" for Nahash (the serpent) to handle. The unstoppable anointing will cause you to grow until you are oozing with the oil of God. Therefore, causing you to excel, to go to the highest degree in a thing desired. Now, with that being said, you and I may still be hindered in some things, but not stopped in anything. If I were to put it in simple terms. This year you would grow and grow and grow until all those yokes and burdens of the enemy that used to hold you back could no longer handle you.

We have a lot more to say about that subject, but for now, we must move to the next word. The year of TRANSMOGRIFYING. What does this even mean? To transmogrify means to metamorphose. To be transformed. This action is a process and is not done overnight. Most of us have heard of a caterpillar. That little worm with legs goes through a transformation called metamorphosis to become what we know as a butterfly. Did you know this process is not as pretty as it sounds? For a butterfly is not a caterpillar with wings. It is, in essence, a completely different animal. A caterpillar doesn't make a cocoon. It sheds its skin like a snake or a lizard, and what is left is a hard-shelled body that forms a chrysalis. Inside, the caterpillar becomes almost pure liquid. Just about every part dissolves into an oozy form. Only to reform and become something new, i.e., a butterfly.

What does this have to do with us? The caterpillar had cells that lay dormant until the right

condition. At the perfect timing, those dormant cells activated in order to turn one beautiful animal into another.

Romans 8:19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God.

Inside of every revelation of God's word is the ability to transmogrify us into the very image of that word. The word is alive and active, and in the right atmosphere and condition, under the right pressure, that word will change us. It would take a poor person into financial abundance. A sick person into healing and divine health. A weak person into a strong one.

Romans 8:11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.

This year you are to become something different than you ever were before.

We could go much further into this, but we must move on into the third aspect. This year being a year of unpredictability. There was a story in the bible about a man named Ehud (read Judges 3). He was a left-handed man, or a man restricted in his right hand. It was not usual for a man to attack or war with his left hand being dominant. Thus providing a level of surprise for those being attacked. It made him less likely to be predictable. This year, as you grow in the word and Spirit of God, and as you are led by Him, you will become less and less predictable to your enemy. You will become more and more likely to receive and maintain victories. Now, when you combine them all together, you have one unstoppable individual. Let's end this with some practical ways of manifesting these things.

2 Timothy 2:20-22 But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work. Flee also youthful lusts: but follow righteousness, faith, charity, peace, and with them that call on the Lord out of a pure heart.

The Lord is calling us to a greater level of consecration and dedication unto Him. He is calling us to wait upon Him. Greater fasting and prayer unto Him. Greater fellowship with the person of The Holy Spirit. Daily, sit and wait for the moving, unction, leading of the Holy Spirit. Meditate upon a scripture as you wait upon Him. Then when He moves you to read something, or to praise and worship, do so. When He moves you to pray, do so. Don't be in a rush. Just relax your mind

and give yourself over to Him. You and I don't have to have light on how He will manifest himself or how the process works. Just trust that He knows what He is doing. The end results will be you operating in the Unstoppable Anointing, you Transmogrified, and you being unpredictable to your enemy.

My wife and I love you and are praying for you.
Shalom Shalom.
