

2025

Grace and peace,

Praise the Lord! We are in a brand-new year. A year of Dominance. A year to dominate sickness, disease, poverty, lack, occult forces, philosophy, the traditions of men and the like. A year to not subdue, but to absolutely DOMINATE.

And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. Genesis 1:26.

The word dominion here means:

- Radah in Hebrew is defined as ruling with authority by accountable management. It implies love and favor for a thing. It has also been defined as ruling by treading down. This demands a lack of love and respect for.

We are to have dominion over the creation the Lord has given to us with love and respect for His creation. We are to dominate, rule, and tread down the forces of Satan every day. Will you do both this year? Will you love His creation and hate Satan? Will you enhance others' lives with the supreme power of the Divine while simultaneously driving out decay and depravity?

Apostle Matthew's gospel, chapter 6:24 reads as follows: ***No man can serve two masters: for either he will hate the one and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.***

Even though we can not serve two masters, we see a directive. In loving one, we automatically hate the other. Can we say we love the Lord with all of our hearts if we don't hate Satan? Can we truly say that our compassion is for the Holy Spirit if we don't hate sin and all of its destruction?

This year will define many people's destinies. This year will define the rest of some individuals' lives. I remember giving a word like this to a colleague of mine who is a pastor. He said to me that the Lord had been speaking that to him. For I had shared with him that the next two years would determine his next twenty.

This year of Dominance will determine, for many of our partners and friends, the rest of their days on this earth. For some, it will determine their eternal future.

We will elaborate on this by the Holy Spirit's discretion in the coming months.

With love, grace, and peace to you all. May 2025 be a year of DOMINANCE.

Shalom Shalom
