Grace and peace,

In the Kingdom of God, everything functions by spiritual laws. The law of faith, love, meditation, imagination, and so on are all spiritual laws. What I mean by spiritual laws is that they are presiding rules that have a set outcome. It's as if the game has been fixed.

When something is already set before it begins, there is not much you can do about it. Gravity is a law, and when it is used properly, it can help you grow muscles faster. Gravity has a set outcome. Whatever goes up must come down. That is unless you have a different law that supersedes the law of gravity. A rocket ship launched into space uses a different set of rules to propel past and through the law of gravity to perform differently.

The law of sowing and reaping is no different from the aforementioned laws. Genesis 8:22 says, "While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease." Sowing and reaping, aka giving and receiving, aka seedtime and harvest, is the law that governs our covenant of prosperity. The law of sowing and reaping will put to flight debt, lack, poverty, sickness, and the like. It will bring into motion the manifestation of our inheritance.

Let's take a look at this law in action.

Philippians 4:14-19 AMP: "Nevertheless, it was right of you to share [with me] in my difficulties. And you Philippians know that in the early days of preaching the gospel, after I left Macedonia, no church shared with me in the matter of giving and receiving except you alone; for even in Thessalonica you sent a gift itself, but I do seek the profit which increases to your [heavenly] account [the blessing which is accumulating for you]. But I have received everything in full and more; I am amply supplied, having received from Epaphroditus the gifts you sent me. They are the fragrant aroma of an offering, an acceptable sacrifice which God welcomes and in which he delights. And my God will liberally supply [fill until full] your every need according to His riches in glory in Christ Jesus."

The people who participated in this act were not only partakers of the Apostle Paul's grace (1st chapter of Philippians) but also met their needs on the same level as Apostle Paul. Why? Because of seed.

This spiritual principle is all throughout the verses of the Bible. As you study out this wonderful law, allow the dominating aspect of it to sink in and take root in your heart and soul.
