

2026

Grace and Peace,

What a year this has been. Wow!!! Victory on top of victory, and it has gone by so fast. It seems like we were just getting started with whooping the devil, and now it's 2026. I am healthier than I have ever been, wiser than I've ever been. Wealthier than ever. You may say, "Apostle, 2026 just started, what are you talking about?" Well, yes, I know, but like our Heavenly Father, we are speaking the end from the beginning. We are declaring what our year will be. You know, faith calls things that be not as though it were. Look at **Romans 4:16-17**:

"Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed; not to that only which is of the law, but to that also which is of the faith of Abraham; who is the father of us all, (as it is written, I have made thee a father of many nations,) before him whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were."

and **1 Corinthians 1:28**

"And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are:"

You can't tell me that faith doesn't walk around confidently knowing what the end shall be. It knows because it is the dominant force of the Kingdom of God. You see, you and I were created to be on top of the mountains. We were created to live a life of perpetual victory. Not a life of victimhood. Not a life of sadness and depression. A life that you have determined to win and conquer. That is why we can say boldly, the **Lord is my helper, I WILL NOT FEAR what man shall do unto me.** Hebrews 13:6.

This year, declare the end from the beginning. Sit down or stand and look within. Look to where the Holy Spirit resides. Out of your belly shall flow rivers of living water! Look to your inner man where confession abounds. As you wait, looking inward, allow faith to arise and then speak forth the victory that comes from within.

I was meditating one night, all night, on faith. By morning, these words came forth, "Faith has a voice, and it is the voice of victory." I remembered hearing those words from Prophet Kenneth Copeland. He said the Lord had spoken to him way back when. He said to Prophet Copeland, "Every believer has a voice, and it is the voice of victory." Praise God! We have a voice, and it is the voice, the sound, the declaration of victory! You have a voice inwardly that is waiting to be released. It is VICTORY! Faith has a voice that is waiting to be declared. Let VICTORY arise, and your enemies be scattered.

Shalom Shalom
