

Grace and peace to you.

Malachi 4:1-2 says, *"For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble; and the day that cometh shall burn them up, saith the Lord, that it shall leave them neither root nor branch. But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth and grow up as calves of the stall."*

I trust that this letter finds you well. As you all may know, in 2020, the world was placed on lockdown due to a "Plandemic." During this time and after, you could hear the sighs and groans of people everywhere; the world over, they desired normalcy. Something that would never be again.

We've moved away from masks and vaccines to preparation for another "Plandemic". When the world saw that people would easily be moved to stay in place, they readied themselves for another round. The first one was a test run. The Lord allowed this to happen to get the church and the world to bow their knees to Him in repentance. Satan captured it and made the world bow their knees to medical tyranny—the globalist agenda.

The first one caught many a believer asleep. Will the next one catch you sleeping? Faith will become the most important commodity to you and me. We'll have no other options for good success. With this lifestyle, we won't have to compromise. I'll share this in a parable: frequency and chelation.

With the recent events of the death of a young, prominent individual in the US and a rally in the UK, there is a tremendous uprising. However, there is a price to pay for this, and I am not certain if all are willing to pay that price. I'll say it again. Frequency and chelation. For those who will walk in love and live by faith, everything is going to be alright.
