

LET LOVE LEAD / LET LOVE WIN

Grace and peace to you all in the matchless name of Jesus. We are blessed to be able to call on that wonderful name. In this life that we have been given, what a privilege it is to be named amongst the living.

*These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world. **John 16:33.***

God has given us an understanding that this world that we live in is filled with serpents and scorpions. It is filled with wolves, dogs, and pigs. We are to be wise as serpents and harmless as doves. We are to be as sheep amongst wolves. This is seemingly a complex life, yet it is simple when looked at through the eyes of our Savior when we are empowered by the Holy Spirit.

Let love lead. Let love win. 1 John 4:8,16 says that God is love. Our Creator doesn't have love. He is LOVE. LOVE is the greatest motivator in the Kingdom of God. It is the driving force behind healing the sick, raising the dead, and casting out devils. That is the case even if those being used in such a powerful way are maligned and deceitful themselves. Love wins when it is allowed to lead. Love never fails.

In these coming days ahead. Days of shaking. Days of the fear and terror of the Lord, don't be moved. As people turn on one another. As fearful signs from heaven manifest, stay locked into Love. It will drive your faith to produce great and mighty victories. One after the other. It is the Uno card.

Have you ever played Uno and were about to be the first one to have no cards left? Well, love is that one card; no matter what transpired, whether they change the color, reverse, or skip, you are out anyway. Love has a way of trumping all that Satan can contour.

2026 was the worst year for Satan and the best year for you. Let Love lead. Let Love win.

Shalom Shalom
